TWO UNIVERSITY SKILL TRAINING CERTIFICATE PROGRAMMES

CERTIFICATE IN **FAMILY LIFE EDUCATION**

A Skill Training Programme with a focus on:

- **Family Dynamics**
- **Life Style Options**
- **Group Development Theory**
- **Experimental Learning**

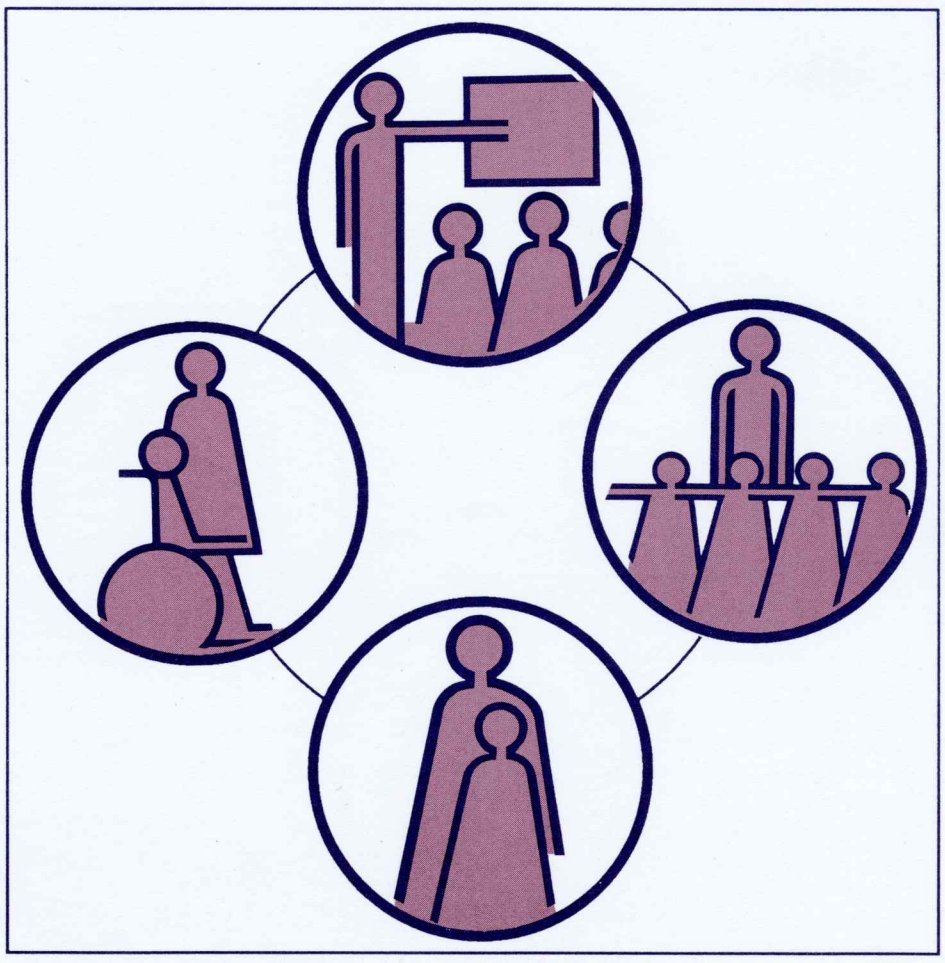
The certificate provides opportunities for training and practice in designing, facilitating, and evaluating programmes and workshops for people at all ages and stages of the life cycle.

CERTIFICATE IN **COMMUNITY SERVICES**

A Skill training programme with special emphasis in one of the following:

- **Addiction Education**
- **Community Intervention**
- **Gerontology**
- **Organizational Leadership**

The certificate provides opportunities to develop new skills and broaden knowledge of the basic subjects which are the foundation of work in today's changing climate.



Both Certificate Programmes:

- Offer a balance of compulsory and elective courses
- Lead to a Concordia University Certificate in Family Life Education or Community Services
